

A GCG COMPANY

LINE CARD

St. Louis Office | (855) 727-6200 | f (314) 298-2395 | 675 Spirit Valley Central Dr., Chesterfield, MO 63005
Kansas City Office | (855) 880-8020 | 15335 W. 95th St., Bldg. 5A Lenexa, KS 66219
Central Illinois | (855) 585-8020

Structural aluminum, design services

Molded cordsets, field-wireable connectors, inductive, capacitive, flow, pressure, & position sensors, fieldbus network I/O

YASKAWA

Yaskawa Motion: Rotary servo, gear motors, direct-drive servos, linear motors, machine motion controllers
Yaskawa Drives: variable frequency drives (VFDs)
Motoman Robotics: 6-axis articulated arm robots, collaborative robots, SCARA robots

SICK

Photoelectric, ultrasonic, flow, pressure, inductive, capacitive, & position sensors, 1D & 2D barcode scanners, RFID, light curtains, laser area sensors, safety switches & controls, LIDAR

Direct & pilot actuated directional control valves & manifolds, network fieldbus valve manifolds, pneumatic cylinders, F-R-L's

Cartesian robots, electric cylinders, SCARA robots

HMI's, PLC's, industrial PC's, SCADA packages, Network Master PLC's

Hydraulic directional control valves, sandwich (modular) valves, pumps, safety-rated valves, digital proportional control & servo valves

Patchcords, cordsets, I/O blocks & network I/O systems, connectivity

PULS

Single & three phase input DC power supplies, power supplies & battery backups, redundancy modules

Industrial networking, cybersecurity, network switches, bulk cable

KOLLMORGEN

Servo motors & drives, multi-axis controls, stepper motors & drives, PMDC Motors

Safety interlock & solenoid locking switches & controls, safety relays & light curtains, safety mats & safety guarding

AC & DC powered hydraulic power units, custom power unit packages

Linear robotics, linear actuators, mechanical motion

Pneumatic & electric grippers, rotary units, robot accessories, HSB series linear stages/actuators

Suction cups, vacuum generators, vacuum grippers

Liquid level switches and sensors

5- & 6-axis articulated arm robots, SCARA robots

Linear motion, ball and roller bearings, motion control

Push-rod & rodless style linear actuators, profile/round rail & bearing cartridges

Collaborative robots from 5kg to 25kg

AC fractional HP motors, gear, synchronous, servo & stepper motors, drives

Rod-style & rodless electric & pneumatic actuators, high-force linear actuators

Industrial, sanitary, and automation precision conveyors

Pneumatic & hydraulic cylinders, Pancake-type pneumatic cylinders

Brass body, stainless steel & aluminum direct & pilot actuated valves

Zero-leak directional control valves, proportional control valves, compact power units, network manifolds

Collaborative robot grippers

Wire terminals, circuit breakers, wireless field bus

Industrial cabling, connectivity, & networking devices

Signal towers, signal beacons, LAN/USB/PoE/Wireless, audible alarms, voice synthesizers, LED lighting

Human-Machine Interface (HMI) systems

Electrical Connectivity • Auto Identification • Robotics • Safety • Structural Aluminum • Motion Control
• Sensors • Controls & I/O • 80/20 Design Services • Pneumatics & Hydraulics (Fluid Power)

FEATURING THE BEST NAMES IN THE BUSINESS.
