Structural Aluminum
and Design Services

YASKAWA

Motion: Rotary and Linear Network Servo Systems
Drives: Fractional to HHP, Low and Medium Voltage
Robotics: Industrial, Collaborative, SCARA, Delta

SICK

Safety: Light curtains, area scanners, switches, controls
Sensing: Photoelectric, ultrasonic, flow, pressure, RFID
Measurement: Vision, LiDAR, ToF

Fieldbus Network Systems,
Cordsets, Power Management

DOOSAN

Collaborative robots
from 5kg to 25kg

Industrial, sanitary and
automation precision
conveyors

Cartesian and SCARA
robots, electric cylinders

DENSO robotics

Cartesian and
SCARA robots

Belt driven linear
actuators and gantry

HSB Linear Actuators,
Pneumatic & electric
grippers

Rod-style & Rodless
linear electric and
pneumatic actuators

Linear Actuators, profile /
round rail bearings

NSK

Linear profile rails, linear
actuators, roller bearings

Integrated Stepper
and Servo Systems

Precision Gearboxes

Orientalmotor

AC Fractional motors, gear,
synchronous servo &
stepper motors and drives

Vacuum management,
grippers, generators

Collaborative Robot
Grippers

Planetary, bevel, worm,
helical, hypoid &
cycloidal gearboxes

Safety interlock &
solenoid locking switches
& safety controls, safety
mats, guarding

Visualization, HMI,
Industrial Computers

HMI's, PLC's Industrial
PC's, SCADA

Secure Remote Access

PATLITE

Visualization and Indication

BELDEN

Bulk Cable, Industrial
networking,
cybersecurity

Industrial Networking
& Cybersecurity

Network I/O Systems,
Cordsets and Patchcords

Automation Systems, Remote I/O
Systems, Circuit Breakers and
Terminal Blocks

Hydraulic directional
control valves, Modular
valves, safety rated, digital
proportional control & servo valves

Zero-leak directional and
proportional control
valves, compact power
units, network manifolds

Direct & Pilot actuated
directional control valves
& manifolds, network fieldbus
valve manifolds, pneumatic
cylinders, F-R-L's

Pancake-type,
Pneumatic & Hydraulic
cylinders

Liquid level switches
and sensors

Electrical Connectivity • Auto Identification • Robotics • Safety • Structural Aluminum • Motion Control
• Sensors • Controls & I/O • 80/20 Design Services • Pneumatics & Hydraulics (Fluid Power)

FEATURING THE BEST NAMES IN THE BUSINESS.
