

Stock Length Adjustments

Effective February 1, stock lengths for T-slot profiles will be 120" and/or 242" for fractional part numbers and 3 meter and/or 6.050 meter for metric part numbers. See below, for a full list of all affected part numbers.

Note: Ready Tube® will be 150" only while Quick Frame® will not be affected. Other products affected include: aluminum T-slot cover, upper/lower door track, connector rod and gravity roller tube.
